The Student Learning Plan is designed to provide a roadmap for each student's success during an academic year. This plan will identify the desires of each member of the team - the parents, the student, and the teaching team - in regards to the student's growth.

Included components of the plan are:

- Initial assessment(s)
- Summary of skills attained
- Scope of skills to be attained within the given academic year
- Summary of strategies to be implemented to help the student learn
- Summary of the student's strengths and challenges related to learning
- Summary of teaching team recommendations for on-going evaluation and measurement of the plan
- Statement of Student Responsibility
- Statement of Parent Responsibility
- Statement of Academy Responsibility
- Signatures
